

**Licensing Number** 22503

**Licensed Premises** Future Health Technologies  
Unit 1 & Unit 10 Faraday Building  
Nottingham Science & Technology Park  
Nottingham  
NG7 2QP

**Licence Holder** Future Health Technologies

**Designated Individual** Miss Beverley Lancashire

This licence is granted under Section 16 (2) (e) (ii) of the Human Tissue Act 2004.

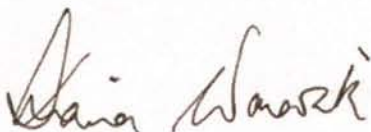

This licence authorises the storage of relevant material which has come from a human body for use for the following scheduled purposes:

- Establishing after a person's death the efficacy of any drug or other treatment administered to him
- Obtaining scientific or medical information about a living or deceased person which may be relevant to any other person (including a future person)
- Public display
- Research in connection with disorders, or the functioning, of the human body
- Clinical audit
- Education or training relating to human health
- Performance Assessment
- Public health monitoring
- Quality assurance

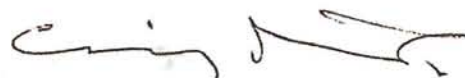

The licensed activity should be carried on only at the licensed premises specified above, and under the supervision of the Designated Individual.

This licence is subject to conditions set out in the Annexes accompanying this licence as may be subsequently varied pursuant to an application under paragraph 8 of Schedule 3 to the Human Tissue Act 2004.

This licence is valid from the date specified below and will remain in force until revoked.

**Nottingham Science & Technology Park**  
**Nottingham**  
**NG7 2QP**

**Licence Holder**                **Future Health Technologies**

**Designated Individual**        **Miss Beverley Lancashire**

This licence is granted under Regulation 7(1) and (2) and Schedule 2 of the Human Tissue (Quality and Safety for Human Application) Regulations 2007.

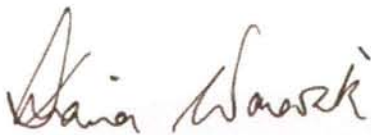

This licence authorises the following activities to be carried on only under the supervision of the Designated Individual

- (1) The procurement, testing, processing, distribution and/or import/export of tissues and/or cells intended for human application.
- (2) The storage of tissues and/or cells intended for human application

The licensed activity should be carried on only at the licensed premises specified above or, in the case of activities specified in paragraph (1) above, on any relevant third party premises.

This licence is subject to conditions set out in the Annexes accompanying this licence as may be subsequently varied pursuant to an application under paragraph 8 of Schedule 3 to the Human Tissue Act 2004.

This licence is valid from the date specified below and will remain in force until revoked.
